## 2. The Valuation/Rental Appeal Process

The Valuation Report is completed by an independent Valuation Panel Manager/Valuer instructed by The Lender or agents thereof. All reports are completed by an RICS qualified residential valuer registered under the RICS Valuer Registration Scheme who has appropriate local knowledge.

The Lender will only accept a valuation appeal in exceptional circumstances where compelling evidence exists to contradict the valuation provided. This is defined as 3 sold comparables where the property has sold at a higher / similar price than the subject property in the last 6 months. These must be of the same property type (number of bedrooms, gross floor area etc.) in the same locality and ideally the same postcode. Please provide FULL details in Sections 2 & 3. For rental value appeals, this is defined as 3 comparables where the property has been rented at a higher / similar price than the subject property in the last 6 months. These must be of the same property type (number of bedrooms, gross floor area etc.) in the same locality and ideally the same postcode. **If these criteria cannot be met The Lender will not be able to accept a valuation appeal.** Estate Agents marketing letters, details of unsold/unlet properties, automated valuations, indexed valuations, previous or other Valuer opinions are not suitable for consideration.

The completed form should be forwarded to Connells Survey & Valuation Customer Care Team

The valuation / rental appeal will be forwarded to the Valuer for consideration. The Lender will be guided by the Valuer in all appeals and cannot overturn a Valuers decision on value.
