Valuation

The Society will obtain a valuation of the property in order to assess its suitability as security for a mortgage loan. The Society may use alternative valuation methods, which include the use of limited external appraisals, automated valuations or computer-based data to establish the value of the property. While this is sufficient for the Society's purposes in deciding whether to make the loan and how much it is prepared to lend, the information provided is, in our view, not sufficient for you as the purchaser.

The Society's Mortgage Valuation is a basic one. It is not a survey and there may be faults in the property which will not be discovered. You should not place any reliance on it as indicating the condition of the structure or that the purchase price is reasonable or otherwise. It is on the basis that the Society and its valuer (if instructed) do not accept any responsibility to you if you proceed with your purchase relying on the Mortgage Valuation alone. **The Society recommends that you obtain a more detailed report on the condition and value of the property, based on a full inspection, to enable you to decide whether the property is suitable for your purposes both as an investment and a residence. Our staff can help you with finding a valuer to undertake such an inspection for you.**

Please indicate the type of valuation you require:	Basic <input type="checkbox"/>	Homebuyers <input type="checkbox"/>	Full Structural <input type="checkbox"/>

A basic assessment of the property may or may not involve an inspection of the property

Direct Debit Guarantee

The Direct Debit service is designed to make paying your mortgage easier. That's because, when you pay by Direct Debit, your mortgage repayments are paid automatically on the same day each month. You don't have to send a cheque every month or visit your local branch, and you don't need to change your payment instructions every time your monthly repayment changes. The Society will write to you 5 days before the date of any change, so you are aware of where you stand. Then we will automatically collect the new amount on the next due date. When you pay by Direct Debit, you are covered by the Direct Debit Guarantee (see below for full details). Please ensure that your policy form is signed and dated.

We are unable to deal with your request unless the form is signed.

The Direct Debit Guarantee

- This Guarantee is offered by all banks and building societies that accept instructions to pay Direct Debits
- If there are any changes to the amount, date or frequency of your Direct Debit West Bromwich Building Society will notify you five working days in advance of your account being debited or as otherwise agreed. If you request West Bromwich Building Society to collect a payment, confirmation of the amount and date will be given to you at the time of the request
- If an error is made in the payment of your Direct Debit by West Bromwich Building Society or your bank or building society, you are entitled to a full and immediate refund of the amount paid from your bank or building society
- If you receive a refund you are not entitled to, you must pay it back when West Bromwich Building Society asks you to
- You can cancel a Direct Debit at any time by simply contacting your bank or building society. Written confirmation may be required. Please also notify us.

The West Brom ‘Fees Assisted Legals’ mortgage

Under the ‘Fees Assisted Legals’ service, the solicitors or licensed conveyancers instructed by the Society will act only for the Society and are unable to give you legal, financial or tax advice on your mortgage and have no liability or responsibility to you for the service provided.

If you apply to the Society for a ‘Fees Assisted Legals’ mortgage, you are reminded that the Society will normally pay the legal costs involved in a straightforward re-mortgage of registered land. This means that in most cases there will be no legal cost to you but you are likely to be charged a fee by the solicitors or licensed conveyancers when redeeming your current mortgage. For leasehold cases, any fees payable to the freeholder or management company, or any fees incurred carrying out company searches or obtaining documentation in respect of the management company, must be paid by you.

You will, however, have to pay for any non-standard work that the Society’s solicitors or licensed conveyancers carry out. Please refer to the list below. The Society recommends that you should take independent legal advice before you enter into the mortgage contract. The solicitor or licensed conveyancer we choose will act for the Society but if you choose not to rely on this solicitor or licensed conveyancer and/or take independent legal advice, you will not be permitted to select this fees assisted product and must select an alternative product.

Please note, if you have a mortgage with another lender, you are responsible for any charges they impose. They may make a charge for the following:

- Releasing the title deeds
- Issuing a redemption statement
- Redeeming your mortgage before the end of the agreed mortgage term.

Additional charges payable by you

You will be required to pay additional charges in the following circumstances:

- Transfers of equity (single to joint or joint to single borrowers) (the fee includes completion of the Stamp Duty Land Tax Form)
- Deed of Postponement(s)
- Landlord’s notice fee
- Transfer of share
- Licence to Assign
- Search fees > £500k
- HMLR fees > £500k
- Searches/special reports
- Telegraphic transfer of any surplus funds in accordance with your instructions
- Telegraphic transfer of funds to any first or subsequent mortgage lender on repayment of the mortgage debt redemption
- Extra work involved in dealing with unregistered titles including the cost of the first registration fee
- Plus VAT and disbursements, where applicable. Please refer to the Society for a full list/scale of fees.

The Society only permits the ‘Fees Assisted’ remortgage product where one of our law firms is allocated. No alternative is permitted, for example, where you retain the product but select an alternative law firm of your choice.

Mortgage transfers by the Society (securitisation)

Securitisation is one way in which West Bromwich Building Society can raise large scale funds to provide mortgage finance at competitive rates. This may involve transferring mortgages to third parties, possibly another lender. This enables funds to be raised in the capital markets using residential property as security. The Society is under no obligation to inform you of any actual or proposed securitisation of your mortgage. However, if you would like to know if your mortgage has been subject to a securitisation, you can write to West Bromwich Building Society, 2 Providence Place, West Bromwich B70 8AF.

How we use your personal information

In order to process your application and manage your account, any information provided by you may be held by West Bromwich Building Society (as Data Controller) in our records and may be shared within West Bromwich Building Society Group of companies, as well as with Fraud Prevention Agencies and Credit Reference Agencies. For further information about how we will use your personal information and your rights under Data Protection legislation, please read the Privacy Notice that has been provided to you which is also available at www.westbrom.co.uk/privacy-notice.

If you have any questions about the information provided, please write to the Data Protection Officer at West Bromwich Building Society, 2 Providence Place, West Bromwich B70 8AF.

Joint borrowers

If your mortgage is taken out in joint names, the responsibility for repayment of the loan is joint and several. This means that you are each liable for the whole loan. This is important if either of you experience financial difficulty maintaining your monthly repayments. If your circumstances do change in the future or you experience financial difficulties, it is important that you contact the Society as soon as possible.

Additional statement for applications submitted via a broker or introducer

Applicable where a mortgage application has been introduced to the Society through a broker or other person or company, whether or not in conjunction with an insurance policy or some other investment scheme: Your contract with the Society will be based solely on the terms of this mortgage application form and any mortgage offer or other literature provided to you by the Society. The making of a mortgage advance to you does not imply that the Society accepts any responsibility to you in relation to the suitability or effect of any policy or scheme as referred to above, or any act omission neglect representation or statement made by a third party.

Declaration to support a formal application – to be completed by all applicants – please read carefully

It is important that the whole of this document, and especially this declaration, is read and understood fully before it is completed, signed and returned to West Bromwich Building Society ("the Society"). If you are unsure or confused on any point, please consult your solicitor.

This declaration is to be read and signed by each applicant.

Important Notices

Your contract with the Society will be based solely on the terms of this mortgage application form, the additional mortgage terms and conditions, the mortgage offer and any other literature provided to you by the Society.

The Society will release the mortgage money to you when instructed to do so by your solicitor. The mortgage money will normally be released via your solicitor. By signing the mortgage deed, you accept all the terms of the mortgage included in the standard conditions of offer, any special conditions of offer applicable to the mortgage offer, the relevant mortgage conditions and the Society's rules. The Society may withdraw the offer of loan at any time without notice in the event that any information in this application is or becomes inaccurate or any question arises or event occurs which in the Society's reasonable opinion renders it undesirable for the loan to be made.

Fees

I make an application for a mortgage advance from the Society and enclose £..... in respect of the booking fee and the valuation fee if applicable. I understand that the valuation fee will be refunded if this application is withdrawn or declined prior to the valuation having been instructed, but that the booking fee is not refundable if this application is withdrawn or declined. I understand that I will be charged a completion fee of £..... at completion. I understand that this payment does not constitute completion of the mortgage and that the completion fee shall be refunded if this application is withdrawn or declined prior to completion of the mortgage. Please indicate how you wish to pay the completion fee, by ticking the appropriate box below:

- ☐ I hereby instruct the Society to deduct the completion fee from the mortgage funds released to us or the solicitor at completion.
- ☐ I hereby instruct the Society to add the amount of this completion fee to the balance of the mortgage at completion.

I have received and read the Illustration which provides details of the mortgage selected.

Interest

I understand that:

- (a) the first month's interest payment is due on the date of completion in respect of interest from the date of the advance cheque up to the end of the month in which the loan is made, and if it remains unpaid it may cause the term of the mortgage to be extended and such unpaid interest will be included in the calculation of arrears; and
- (b) (unless otherwise stated in the product leaflet) interest is charged up to the end of the month in which the loan is repaid together with any further interest payments and/or charges as set out in the mortgage offer; and
- (c) the Society has the right to vary the rates of interest and monthly payments in accordance with the terms of the Mortgage Conditions.

Valuation

I have read the section headed "Valuation", concerning the Standard Mortgage Valuation for mortgage purposes, and I understand that the Society recommends that I obtain a detailed report for my own purposes. Where a Standard Mortgage Valuation for mortgage purposes is provided, I understand that I run the risk that the Property might suffer from serious defects.

In making the mortgage, I acknowledge that neither the Society nor any valuer (if a valuer has been instructed) are responsible for the physical condition of the Property or for completion of the construction of the Property. I further acknowledge that in the event that the Society instructs a valuer and obtains a valuers report, if the report mentions any defects or repairs it is not taken as a guarantee that no others exist. I accept that it may be in my interest to commission my own structural survey and that by making the mortgage the Society does not imply any guarantee or warranty with regard to the Property.

Buildings Insurance

I acknowledge that the Society may insure the Property on a reinstatement basis through the Society's agency with such company and for such amounts and for such risks as the Society decides and that the Society may debit the premiums due under the insurance policy to the mortgage account. I undertake to advise the Society if the Property is ever left unoccupied and not fully furnished for more than sixty days. I accept that the sum insured may exceed the market value of the Property.

General

I have not arranged any other loan or further mortgage or any financial assistance by way of Local Authority or other Grants.

I am able to afford the mortgage repayments under the terms of the Society's mortgage. I have not been convicted of a criminal offence other than motoring offences (convictions spent under the terms of the Rehabilitation of Offenders Act 1974 do not need to be disclosed).

I have read and accept the notes contained on this form.

I, being over 18 years of age, declare that the information supplied on this application for a mortgage advance, and provided in connection with this application for a mortgage advance is true and complete, that nothing materially affecting the application has been concealed by me and that the same shall form a basis of any arrangement for a quotation.

I confirm that the income and assets from which the mortgage is to be repaid is denominated in sterling.

I hereby further declare that all the information that I have supplied in connection with this application for a mortgage loan is true and correct.

Porting

Early repayment charges payable on your current mortgage product will not be charged when you redeem your existing mortgage loan, providing the mortgage on your new property with the Society completes on the same day. If it is not possible for you to purchase your new property and therefore complete on your new mortgage on the same day that you redeem your existing mortgage, early repayment charges will be charged. Early repayment charges will then be refunded upon completion of your new purchase, as long as you apply within six months from the redemption date of your original mortgage. Please note that the Society reserves the right to charge early repayment charges on any element of your current mortgage balance that is not 'ported' to your new property.

The terms of your current mortgage product will be transferred to your new mortgage for your new property, including any applicable early repayment charges and the effective date(s) of when the early repayment charges that are payable change (if any).

The interest rate(s) applicable to the transferred current mortgage product will be continued as if the original mortgage had not been redeemed. This means that any variable or fixed rate period of the transferred product does not start again on completion of the new mortgage loan with the Society, but is deemed to be continuous from the date your current mortgage product started.

The portability option is restricted to the transfer of the early repayment charges and mortgage product interest rate only, as detailed above. It does not cover the transfer of any additional features or incentives of your current mortgage product with the Society (such as cashbacks, free valuation fees etc.)

The portability option is subject to a completed mortgage application form and the application complying with the Society's current lending policy. Any fees associated with the mortgage product will remain payable.

Mortgage transfers by the Society

I agree that, unless I have told you otherwise in writing at the time of making this declaration, the Society may assign, transfer or deal in any other manner with its rights, benefits and obligations in respect of the loan I apply for, to or with any other person, body or third party of any kind.

Appointment of solicitors

I acknowledge that I will be responsible for paying my solicitor's costs whether or not the transaction proceeds.

I authorise my solicitors to disclose to the Society all information relevant to the Society's decision to lend and waive any rights to confidentiality or privilege in respect of such information.

I authorise the Society to send to my solicitors the net amount of the loan (less any higher lending charge, completion fee, inspection fee or other costs associated with the loan and not paid in advance and any retention specified in the Special Conditions of the offer).
