Switcher fixed rates products

- When the initial product rate ends the rate reverts to the Society's Standard Variable Rate (SVR), currently **6.24%** variable, or SVR with a potential reduction determined by your client's Loan to Value at that time for the rest of the term
- Daily interest
- Interest will be charged to the date of redemption
- Overpayments below £1,000
(Any overpayments made will cause the amount upon which interest is charged, to be reduced at the month end)
- Early repayment charges apply for any payments made which exceed the overpayment allowance or if the mortgage is exited early. See Early Repayment Charges table.
